Bioinformatics (2016) 32(5), 690–696. doi:10.1093/bioinformatics/btv633

The authors of the above paper wish to inform readers that there was a typographical error in Equations 2 and 6 of the published paper. The corrected equations are given below. The paper has now been corrected online.

Equation 2:

$$f[z^1, z^2] = \prod_{i=0}^2 \prod_{j=0}^2 \left(\pi_{ij} \phi_{\mu_i, \sigma_i^2}[z^1] \phi_{\eta_j, \tau_j^2}[z^2] \right)^{1(w_{ij}=1)} \quad (2)$$

Equation 6:

$$z^* = \frac{z_2 - z_1}{\sqrt{\frac{1}{n_2 - 3} - \frac{1}{n_1 - 3}}} \quad (6)$$
